

## FREE FREIGHT PROGRAM

CMS is offering FREE freight to selected areas in QLD, NSW, ACT, VIC & SA

Terms & Conditions apply.

### CMS Free Freight Service Terms & Conditions

#### 1. Delivery goods

Free freight is only available for customers who are purchasing CMS goods in the highlighted areas shown above.

#### 2. Delivery schedule

At present CMS only have one truck available for free freight so scheduling can be mixed to accommodate different locations. To assist our staff in delivering your goods on time please notify us of your requirements in advance.

#### 3. Unloading of goods

Please notify us if a forklift is not available. You are required to have someone hand unload in this instance and you may be charged a "hand unload fee" if there are time delays.

#### 4. Unsuccessful unload will apply charges

If the truck is unable to unload for any reasons such as but not limited to; unable to access the property, no one available to unload the truck, or the delivery is sent away the delivery will be dropped at the closest open freight depot and you will be invoiced for the goods to be dispatched or picked up.

#### 5. Natural or unnatural disaster

In the event of a disaster such as flood, fire, earthquake preventing access to main transport routes. A notice will be sent to alert our customers of any freight disturbances.

#### 6. Goods in transit

Our privately owned transport is responsible to deliver goods in the condition they are ordered, damage caused by transport will be recovered by CMS.

In the case of an "unsuccessful unload" where the goods have been delivered to an alternate transport company the goods are considered your responsibility damage caused is not considered to be the responsibility of CMS.

CMS free freight is available to all CMS customers in the highlighted areas. Please be sure to read the terms and conditions of accepting free freight and your obligations to provide assistance with unloading of the goods. By using our free freight deems that you have acceptance the terms and conditions in full.
